

"I'm ready to

Now what?"

- **Do you already have a team of four, five, or six bowlers? If not, talk to your friends and family and round up some more bowlers to be on your team!**
- **You, as the fearless leader, will need to register your team. To reserve your spot, fill out this form and e-mail it to bowlfromtheheart@hotmail.com. Be sure to bring this form with you the day of the event, too!**
- **No e-mail? No problem. You can also register by calling our registration coordinator at 262-994-6397. No answer? Just leave us a message.**

Next steps:

1. Encourage your teammates to collect as many pledges as possible! Remind them that they can earn raffle tickets by collecting lots of pledges. Hit up your co-workers, friends, family members, etc. Make sure they're aware that by chipping in, they are truly making a difference for the children that come to *My Good Mourning Place*.
2. When collecting pledges, be sure to get the cash right away. You will need to bring all of your pledges along to *Bowl from the Heart*.
3. On the day of the event, round up your troops and get to Bowlero before 11:30 a.m. This will ensure that you've got time to check in, shine up your snazzy bowling shoes (rental is FREE!), and warm up for all the fun you're about to have.
